02-404-00	Spare Head Box	24	Head	10
02-405-00	Spare Head Box	36	Head	10

Sprinkler Head Guards

FPPI Sprinkler Head Guards provide sprinkler head protection from occasional light contact in warehouses, institutional and other applications where the occupancy exposes the sprinkler head to potential damage from its environment. Sprinkler head guards do not protect sprinkler heads from direct impact or abuse.

Part No.	Description		in	Pack Qty.
02-600-00	Headguard 1-pc 2-hk Red			100
